

# Habasit Saniclip – Cleaning Made Easy

## Quick belt opening system for HabasitLINK® modular belts

The Habasit Saniclip is an innovative device for quick belt assembly and easy belt sanitation.

Our Habasit Saniclip permits simple rod installation and removal in applications where frequent belt sanitation is required. Habasit Saniclip has a tactile, non-slip surface for easy removal in wet or greasy environments. Multiple Habasit Saniclips can be installed on a single belt to allow an easy opening at several locations.

- Reduces downtime
- Extracted or installed in seconds
- No tools required
- Non-slip surface for easy removal and installation in wet or greasy environments
- Available in POM yellow or blue

# Habasit Saniclip – new rod system for easy installation

## Quick belt opening – cleaning made easy

Anything that can enhance the ease of sanitation processes in the food industry is a welcome and valuable improvement. This is where the new Habasit Saniclip comes in. Its innovative new rod system is designed for easy and quick rod installation and removal for frequent belt sanitation in demanding sanitary environments. The Saniclip solves the problems of time-consuming belt removal and the requirements for extraction tools that can easily deter operators from safe sanitary practices.

Experience confirms that at least 20 minutes are required for the maintenance staff to normally arrange for proper tooling and to open a standard belt. Habasit Saniclip is robust and provided with a safe tactile feel non-slip surface for easy manual extraction even in wet and greasy environments.

## Extracted and reinstalled in seconds

Habasit Saniclip plug can be manually extracted and reinstalled directly by line operators in a matter of seconds, without any tools.

Extracted...

...and reinstalled in seconds

No tools needed

Plug and rod are interconnected as a single assembly to prevent accidental loss of plug component.

# Availability, features and benefits

Available for the following HabasitLINK® modular belts

M0870  
Micropitch Flat Top

M0885  
Micropitch Flush Grid

M1065 HyCLEAN  
Flat Top

M1185  
Flush Grid

Available materials

Code	Description	Belt pitch	Saniclip material
M0870 POM	Flat Top	8.0 mm / 0.3"	POM (yellow)
M0870 PA	Flat Top	8.0 mm / 0.3"	PA (blue)
M0885 POM	Flush Grid	8.0 mm / 0.3"	POM (yellow)
M0885 PA	Flush Grid	8.0 mm / 0.3"	PA (blue)
M1065 HyCLEAN POM	Flat Top	12.7 mm / 0.5"	POM (yellow)
M1185 PP/POM	Flush Grid	12.7 mm / 0.5"	POM (yellow)
M1185 PA	Flush Grid	12.7 mm / 0.5"	PA (blue)

Key features	Your benefits
